## Product Termination Notification – ECN 14-098

October 30, 2014

Dear Valuable Customer,

Your company has Critical Process Change Notification requirements on products that you buy from MICROSEMI directly or through MICROSEMI distribution channel.

This letter has been issued to inform you about product termination.

Product affected	Nature of the Change	Reason for the termination
All diode modules listed in Appendix A	End of life product	Die foundry is discontinuing all requested Schottky, Rectifier and FRED die used in these diode modules because of insufficient activity to maintain the foundry line. No second source available

### Last Time buy option:

Microsemi PPG Power Module Products will accept last time buy order on modules listed in Appendix A during the next following 6 months (until April 30th, 2015).

Assuming LTB orders received on time:

- The die manufacturing will last during the next following 18 months (until April 30th, 2016).
- The modules assembly will be possible during the next 24 months (until October 30th, 2016).

MICROSEMI values you as an important customer. Please contact your Local Sales Representative if you have any questions or require any additional information.

Pascal Ducluzeau,

Product Marketing Director, Power Modules

MICROSEMI Power Products Group
