**Description and Extent of Change:**

The supplier is the existing supplier that is supplying blister packs for other part numbers in smart displays.

New blister pack is using the same material and same mechanical dimensions as the existing ones. No change except for the appearance of the new blister pack is more transparent due to new tool.

Current	New
<p>Surface is matt due to worn out tool</p> 	<p>Surface of the blister pack is more transparent</p> 

**Reasons for Change:**

To consolidate all blister pack suppliers.

**Effect of Change on Fit, Form, Function, Quality, or Reliability:**

There is no change on material, device specification and product performance as well as finish good products.

The new blister pack will appear to be more transparent than existing blister pack

**Effective Date of Change:**

New changes will be implemented starting 1 April 2016. Shipment may contain both blister packs until existing pack is depleted.
