NXP's Generic SSL Lighting Business transferred to Silergy.

Information Notification

NXP and Silergy are pleased to announce the Close of the Sale of NXP's Generic SSL Lighting Business targeted for April 5th 2016. We are convinced that the Generic SSL Lighting Business will continue to flourish under Silergy's ownership and will provide you with seamless supply of world class products.

SSL Lighting Business has been transferred to Silergy and Silergy will start fully operating per April 5th 2016.

For the weeks immediately following Close, Silergy intends to conduct business on Purchase Order (PO) basis only, until long term supply agreements can be established as desired or needed. Silergy intends to keep changes to customers and distributors to an absolute minimum.

All POs with a delivery date of April 5th 2016 or later will be supplied to you directly from Silergy. Although, the actual product will be produced by NXP for the next months and shipped to Silergy; Silergy as the new owner of the Generic SSL Lighting business will be your vendor and responsible for product delivery to Direct Customers and Distributors alike.

In case of quality complaints arising after April 4th 2016, they need to be addressed to Silergy:

Jimmy Qu, Sr Quality Director
A1501 Technology Mansion
EasternSoftwareParkNo.90
WensanRd Hangzhou

Zhejiang China 310012

Product manufacturing flows, bill of material (BOM), quality and existing product marking will remain unchanged until April 5th 2016.

Further details after the transition at April 5th will be communicated by Silergy.

Why do we issue this Information Notification
