

Discontinuance Notice

Microsemi Corporation – Analog Mixed Signal Group

Date Issued: February 5, 2015

Product Discontinuance Notification (PDN) No: 023

Description: Microsemi is announcing the discontinuance of multiple products listed under Product affected by this discontinuance

Reason for Discontinuance: The wafer process used to process the affected part numbers as listed under Product affected by this discontinuance is being terminated and a replacement fab/process is not available.

Customer Impact: The affected devices are being removed from Microsemi's product offering and is no longer available for order after **August 5th, 2015**.

Replacement Parts: There are no replacements parts available. Please contact your local Microsemi Sales Office for details.

Last Order Date: August 5th, 2015

Please note that all orders must be booked as non-cancelable non-returnable (NCNR) by no later than August 5th, 2015. No new orders will be accepted after this date. Although Microsemi will attempt to accommodate all requirements, it is highly recommended that orders be placed as far as possible in advance of the order deadline. The inventory is limited so orders will be taken on a first-come, first-served basis.

Last Shipment Date: January 5th, 2016

Please note that Microsemi will continue to ship last-time-buy orders as requested only through January 5th, 2016. Product orders must be scheduled to ship no later than this date.
