

520 Park East Blvd., New Albany, IN 47150 U.S.A
(812)-944-6733 / 1-800-SAMTEC9

Product Change Notification

1. ECR #: 159010
Notification #: 306

2. Date of Announcement: September 20, 2017

3. Series:

- MPT - VERTICAL POWER TERMINAL

4. Part #'s Affected

- MPT-XX-06.30-V-XX-XX

5. Description of Change:

Samtec is adding a logo for branding purposes. This is being released as a rolling change, which will allow for a possibility of mixed shipments during a limited time frame. The new design will fully replace the existing design once all existing stock material has been depleted.

6. Method of Identifying Change

Logo will be displayed equally spaced on the edges of the body.

MPT Body with Logo

MPT Body without Logo

7. Reason for Change:

Differentiation between Samtec brand and competitors.

8. Impact of Change on Form, Fit, or Function:

- Form - Add Logo

9. Projected Implementation Date: September 21, 2017

Disclaimer

Please review the change notification details listed above for specific information regarding the nature and timing of the change. While Samtec has taken precautions to ensure this change is not detrimental to your application, each application can be unique and therefore customers should consider the effect of the change on their specific application.

Samtec has taken efforts to ensure that all users of this product who have requested change notifications have been informed. However, you should assume that this is the only notification that will be sent and you, as the recipient, must determine how to communicate this information to your organization(s) and customer(s) as appropriate. If you wish to opt out of receiving Samtec Engineering Change Notification emails, please contact CustomerECN@samtec.com. Due to technical progress, specifications are subject to change without notification and it is recommended to provide an alternative contact when opting out.

Please contact Samtec at CustomerECN@samtec.com for any questions related to this change.
