

CEL California Eastern Laboratories

Notification

DATE: 03/12/2014

To: Apex LT (ZALM-301-1) Module Customers

From: CEL

Subject: ZBL20140312A Apex LT Module – **Last Time Buy (LTB)** - Notification

This notification is to inform CEL's customers that the Apex LT (ZALM-301-1) Module will cease to be manufactured next year. This event is prompted by the discontinuation of the UPG2250T5N-E2-A power amp used on this module.

Module production will be limited to 125K total units. LTB is scheduled for March 30, 2015, however, customer purchases will be fulfilled on a first come, first served basis until total quantity is shipped. Orders may be scheduled anytime within the EOL period, which is until March 30, 2016.

Any requirements beyond the 125K availability will be handled based on future availability of the EOL UPG2250T5N-E2-A part.

Apex LT Module Part Number	Description	Notice
ZAXM-301-1	Ember EM260 Transceiver based module	End of Life – March 12, 2014 Last Time Buy – March 30, 2015 Last Shipment – March 30, 2016

NOTE: All orders placed are Non-Cancellable and Non-Returnable (NCNR).

There is no direct replacement for the ZAXM-301-1 module. However, CEL recommends the following **replacements**:

- MeshConnect EM357 Mini Module (ZICM357SP2) – EM357 Transceiver based module **or**
- MeshConnect EM358x Mini Module (ZICM3588SP2) – EM3588 Transceiver based module

More information about these modules is available on our website:
