

Product Change Notification

TE Connectivity

Product Change Notification: E-20-017620

PCN Date: 04-JAN-21

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:
IPT shielding sleeve

Description of Changes
Dear Customer, we hereby inform you about change of production process for below mentioned parts. The part numbers are going to be change too, due to this change. As this is result of our continuous strive for capacity increase of our production. TE-internal release tests based on the relevant part specifications will be executed before delivery. Upon request, a PPAP Level 2 will be available if it concerns a transfer of a tool which produces a finished TE-product. If you require different level of PPAP, please notify the responsible TE Sales Contact within 14 calendar days after receipt of this PCN. Please, see attached presentation for more details.
